Hayley,

My edits/suggestions follow (below the line). I would start with the asbestos info. Also, re-reading their original email, I'm not sure we need to include the information on TCE. If we do include that information, there are a couple points we would have to explain further (e.g., 11 of the 12 ad hocs in the draft roster participated).

I would like to include the positive feedback we received from ADAO regarding the asbestos panel; something like:

**Ex. 5 Deliberative Process (DP)**

I'm not sure about adding this, but wanted to run it by you.

I hope this helps.

Thanks.

Steve
